Introducing a unique and sophisticated Craftsman style home. Fine architectural detail with artful appointments are complemented by exquisite Zen gardens. Custom wood paneling, coffered ceilings and beautiful mahogany doors enhance the thoughtful design. The Dalia designed kitchen and breakfast area opens to the family room with cathedral ceilings and a majestic twenty foot stone fireplace. The elegant master suite has generous closets with custom built-ins and a stylish bathroom with limestone counters. Quality workmanship continues in the lower entertainment level with a home theater, lounge/bar area and exercise room. Lincoln is known for its scenic landscape, top schools and easy access to Boston.
